## **Last Week at Rotary... June 29: Jerry Borgen: "The Snus Box Kids"**

Jerry Borgen proved again that he can write as he shared stories from his first book about growing up in Red Wing called "The Snus Box Kids".

**This Week at Rotary... July 6: Incoming president, Mandy Lohmann**, will be officially starting her year as president. Come and listen to her goals and ideas as she takes over for the 2010-2011 year. There may be a movie but there will not be any popcorn. Sorry.

## **UPCOMING EVENTS:**

### **July 13: Dave Anderson, Pam Horlitz and Michelle Leise: Live Healthy**

Live Healthy Red Wing is working on a core set of initiatives. Some are new; others complement or expand current community endeavors. Michelle Leise, Project Coordinator, Pam Horlitz, Co-Coach and David Anderson, Co-Coach will share what is happening and how Rotarians can help.

### **July 20: 2010-2011 District Governor, Craig Leiser**

Today we have the pleasure of having DG, Craig Leiser as our esteemed guest.

**July 27: 2010 Miss Red Wing Candidates.** Meet the 2010 Miss RW Candidates.

June 23 was a special day as Minnesota Secretary of State Mark Ritchie spoke to our club about the changes in state voting laws and the earlier primary. Minnesota has consistently had the highest voter turnout rate of any state in the Union. He stressed the importance of voting and that many people vote in Minnesota because they believe it's a tribute to our forefathers and those who fought for this country. He believes we should also vote to help shape the future.

**On June 22**, members of the Red Wing Shoe product development team participated in the United Way Day of Action to help clean up Pottery Pond. They did a wonderful job clearing weeds and garbage.

Thanks Meg for your Year of Rotary Service  
& Best of Luck Mandy!
