Volume #99

www.rotary.redwing1.com

Last Week at Rotary... July 6: President Mandy Lohmann Takes Over!

We listened to her goals and ideas for the 2010-2011 year. There were 2 great movies that highlighted Mandy's courage and creative thinking.

This week at Rotary... July 13: Live Healthy Red Wing!

Dave Anderson, Pam Horlitz and Michelle Leise: Live Healthy Red Wing is working on a core set of initiatives. Some are new; others complement or expand current community endeavors. Michelle Leise, Project Coordinator, Pam Horlitz, Co-Coach and David Anderson, Co-Coach will share what is happening and how Rotarians can help.

UPCOMING EVENTS:

July 20: 2010-2011 District Governor, Craig Leiser

Today we have the pleasure of having DG, Craig Leiser as our esteemed guest.

July 27: 2010 Miss Red Wing Candidates

Meet the 2010 Miss RW Candidates live for lunch.

FUTURE VISION PILOT PROGRAM BEGINS

Beginning July 1, District 5960 will be 1 of 100 of the 531 Rotary districts chosen to be a part of the three year Future Vision Pilot Program, we will begin a new way of doing our work through The Rotary Foundation. Some procedures will change and we will have the opportunity to give feedback to our Foundation on what works and what doesn't. We will have much more flexibility and local control of the funds that come back to our District three years after we have given them to the Annual Programs Fund of The Foundation. One thing won't change, and that will be the need for our members and clubs to support The Foundation.

***President Mandy
Owns the Gavel!
Good Luck Mandy!***

Outgoing President Meg gets a hug from best selling author and Charter President Jerry Borgen.

At Charter Night we announced the winner of the Golden Gear award or entrance into the Red Wing Rotary Hall of Fame. Clare Pavelka accepted the award and the booty.

**Meet
New District
Governor
Craig Leiser
From

Sunrise
Rotary Club**

2010-2011 Rotary International Theme

I am a Past President of Stillwater Sunrise Rotary Club in Stillwater, MN. I have served as Club International Chair, District 5960 Fast for Hope (member and chair), District World Community Service & District Simplified Grant Committee as mentor for Africa, Fast for Hope Nicaragua committee member, inbound Group Study Exchange Brazil chair for 2008, Inbound Group Study Exchange Chair Sweden 2009, District Water Resources Committee Chair, 2007-9 Group Study Exchange Team outbound selection, District 5950/5960 Youth Foundation, District 5960 Board of Directors and 2006 Ambassadorial Fellow selection committee. I have met many Rotarians and visited your clubs over the past three years in the presentation of the Fast for Hope/Haiti Safe Water project. I have attended Rotary meetings in Australia, Norway, Denmark and Hawaii besides many clubs in our district.

I have been married to my wife, Nina Leiser, for 44 years. We have 3 adult, married children and 5 grandchildren from 6 months to 5 ½ years in age. We have also hosted 9 international exchange students from both Rotary and AFS programs and claim an additional 5 grandchildren by designation as we remain good friends and return hosts to our international students and their families. As a family we enjoy fishing, golf, gardening, travel, card playing and reading. We have visited Australia, Norway, Denmark, England, Ireland, Scotland, Chile, Mexico, and Canada with friends and family as well as making new friends in each destination.

I was born in Cochrane, WI, population 495, went to grammar school in Chicago, IL, high school in Seattle, WA, the University of Washington in Seattle for a BSc. Degree in Ceramic Engineering and the New York State College of Ceramics and Ceramic Engineering at Alfred, NY for an MSc. Degree. I have worked for General Electric, Owens Illinois Glass, 3M, National Guardian Security Services Corp., Ameritech and for the past 12 years have owned my own one person consulting business, Kismet Group, Ltd. In addition to Rotary I am a member and president of the Brown's Creek Watershed District in Minnesota, Board of Directors of Minnesota Association of Watershed Districts, Board of Directors Stillwater Youth Advantage and have been a member of numerous Washington County and State of Minnesota water management or resource committees and study groups.

I look forward with eager anticipation to learn more about Rotary, its programs and activities. I welcome the opportunity to serve you as Rotarians and the clubs to which you belong in the spirit of leaders past, present and future. I plan on making many more friends and getting very involved in developing challenging and rewarding individual, club, district and international projects and programs. Along the way I hope to meet each Rotarian in our district and share thoughts, ideas and plans about what we can do to make our world better.

Good Luck Governor Leiser and Welcome to Red Wing July 20th

Thanks Randy for making www.rotary.redwing1.com so cool... check it out!
